

# Cuddy Cabin 5.99

The Polycraft Frontier 5.99 Cuddy delivers performance, safety, low maintenance, comfort, ride, value for money and a four-year manufacturers hull warranty.

**Performance:** Deep V hull design with reverse chines for fast planning and awesome stability at rest.

**Safety:** Every Frontier hull is injected with 50 kg of flotation foam, this provides piece of mind by making the Frontier 5.99 virtually unsinkable.

**Low Maintenance:** Polyethylene is easy to clean, maintain and repair.

**Comfort:** The Frontier is well appointed with a rear lounge, two deluxe bucket seats, carpeted floor and full wrap around windscreen to protect you from the elements.

**Ride:** All Polycraft boats are renowned for their soft riding characteristics. The dual skin Polyethylene hull acts like a shock absorber, ensuring a soft quiet ride.

**Price:** When compared to similar six-meter boats, the Frontier represents great value.
